2. The following is an examiner's statement of reasons for allowance: Neither prior art of record nor references teach either the energy storage flywheel system or a method of selectively inhibiting rotation of a rotationally mounted flywheel assembly comprising at least one magnetic bearing assembly and at least one actuator assembly wherein the actuator assembly engages with the flywheel to inhibit the rotation of the flywheel when the magnetic bearing assembly is deactivated and the actuator assembly disengages the flywheel when the magnetic bearing assembly is activated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chong H. Kim whose telephone number is (571) 272-7108. The examiner can normally be reached on Monday - Friday; 9:00 - 5:00.
